## SOFTWARE ENGINEER

**Kano State, Nigeria | +2349031157436 | shuaibuabdulkadir222@gmail.com |**  
<https://www.linkedin.com/in/shuaibu-abdulkadir/> |  
<https://github.com/shuaibu222/>

Passionate and adaptable Software Engineer with a robust foundation in both front-end and back-end technologies. Skilled in developing efficient and scalable software solutions using Go (Golang), Java Spring Boot, and other modern technologies. Proven ability to work effectively in team environments and communicate technical concepts clearly.

## Skills

- **Languages:** Go, Java, JavaScript, Python
- **Frameworks and libraries:** Spring Boot, REST and gRPC API
- **Databases:** PostgreSQL, MySQL and MongoDB
- **Tools and Others:** Docker, RabbitMQ, and GitHub Actions.

## Experience

Hubuk Technology, Kano – Software Engineer Intern

- Developed and maintained applications using Go/Golang and Java Spring Boot, following best practices of the industry.
- Successfully completed individual and team projects, showcasing strong adaptability and collaboration.
- Applied testing methodologies to ensure code quality and reliability.
- Participated in technical presentations, effectively communicating complex concepts to diverse audiences.

## Personal Projects

### Product Catalog

- **Role:** Full Stack Engineer
- **Technologies:** Go/Golang, React.js, Postgres, gRPC, JWT, Docker, Git
- **Description:** Built a product review web app using Microservices architecture in Go/Golang for the backend to handle products and review postings, and React.js for the frontend to provide an interactive user interface. Implemented PostgreSQL data storage, ensuring efficient and secure data management.

### Spring Careers

- **Role:** Full Stack Engineer
- **Technologies:** Java Spring Boot, Next.js, Postgres, OAuth 2.0
- **Description:** Built a job board platform using Spring Boot for the backend to handle job postings and applications, and Next.js for the frontend to provide an interactive user

interface. Implemented PostgreSQL data storage, ensuring efficient and secure data management.

## **Certifications**

- **N.D. Computer Science**, Kano State Polytechnic, Nigeria, 2021
- **Responsive Web Design** – freeCodeCamp, 2022
